

MULTIPLE SUBJECT TEACHING CREDENTIAL Requirements for Teachers Prepared in California

The Multiple Subject Teaching Credential authorizes the holder to teach in a self-contained classroom such as the classrooms in most elementary schools. However, a teacher authorized for multiple subject instruction may be assigned to teach in any self-contained classroom (preschool, K–12, or in classes organized primarily for adults). In addition, the holder of a Multiple Subject Teaching Credential may serve in a core or team teaching setting.

This leaflet provides information to individuals seeking to enroll in a [multiple subject teacher preparation program](#). Currently, individuals may only enroll in a Commission-approved SB 2042 teacher preparation program. For those individuals who are enrolled in and completing a Ryan teacher preparation program, please contact your college or university for Ryan program requirements.

All candidates who complete their teacher preparation through a [Commission-approved program](#) in California must be formally recommended for the credential by the college or university where the program was completed. Programs will vary slightly from college to college, but all programs will include specific requirements established by the Commission. An overview of requirements is provided below.

Requirements for the Preliminary Credential

The preliminary credential is issued for a maximum of **five years**. If requirements for the professional clear credential are not completed before the expiration of the preliminary, the holder will be unable to teach in California's public schools with that credential until those requirements are met and the document is renewed.

Applicants must satisfy **all** of the following requirements for the Five-Year Preliminary Teaching Credential:

1. Complete a baccalaureate or higher degree, except in professional education, from a regionally-accredited college or university
2. Pass the California Basic Educational Skills Test (CBEST) (For more information, contact the CBEST Program, National Evaluation Systems, Inc., P.O. Box 340880, Sacramento, CA. 94834-0880, (916) 928-4001, or toll free (800) 262-5080, or visit their website at www.cbest.nesinc.com.)
3. Verify subject matter competence by **one** of the following two methods:
 - a. achieve a passing score on the appropriate subject matter examination(s). Information regarding the appropriate subject matter examination(s), including passing scores and registration, can be found in Verifying Subject Matter Competence by Examination leaflet [CL-674M](#).
 - b. complete a [Commission-approved elementary subject-matter program](#) or its equivalent and obtain verification of completion from the authorized person in the education department of a California college or university with an accredited program (This option is only available to those individuals who completed the subject matter program and enrolled in a teacher preparation program prior to July 1, 2004. For individuals enrolled in blended programs, candidates must be continuously enrolled and complete either a Ryan blended program by December 31, 2008 or an SB 2042 blended program by June 30, 2009.)
4. Pass the Reading Instruction Competence Assessment ([RICA](#)). Applicants who hold a valid California teaching credential which was issued based upon completion of a teacher preparation program including student teaching, are exempt from this requirement. Visit the Commission's website or the National Evaluation Systems (NES) website at www.rica.nesinc.com for more information.
5. Complete a [multiple subject teacher preparation program](#) including successful student teaching, and obtain a formal recommendation for the credential by the California college or university where the program was completed

Option 1

The Induction Program includes the advanced study of health education, special populations, computer technology, and teaching English learners.

Individuals applying for the professional clear credential under Option 1 must submit their application through their approved Induction Program sponsor.

Option 2
